Unofficial FERC-Generated PDF of 20061108-0011 Received by FERC OSEC 11/07/2006 in Docket#: CP06-54-000

ORIGINAL

CP06-54

10/30/06

To Magalie R. Salas,

This letter is in regards to Broadwater & the Long Island Sound. The Long Island Sound does not need a costly, risky, LNG Barge. The LIS would forever be ruined by private armed security forces surrounding the barge. It will disrupt the peaceful tranquil waters of the sound. This facility limits public access & sets a dangerous precedent of industrializing the sound. Please respond in writing informing us of your position. Thank you for your time.
