Magalie R. Salas
Federal Energy Regulatory Commission
888 First Street, NE, Room 1A
Washington, DC 20426

Dear Ms. Salas:

I am writing this letter to urge you to reject the Liquified Natural Gas facility proposed by Broadwater to be built in Long Island Sound.

AN LNG FACILITY ENDANGERS THE HEALTH AND SAFETY OF LONG ISLAND SOUND AND SHOULD NOT BE BUILT!

As someone who uses Long Island Sound throughout the year for recreational purposes, and who lives within a mile of the Sound, I ask that you reject this application.

Very truly yours,

Getz Obstfeld
