Dear Sir/Madame,

I am writing in opposition to the costly and risky Broadwater LNG barge in the Long Island Sound.

It is not needed.

I am dismayed to think that constant armed private security will disrupt the peaceful and tranquil waters of the Sound.

Public access will be limited.

It sets a dangerous precedent of industrializing the Sound, which belongs to all of us.

Please respond in writing to inform me of your position in this matter. Thank you.

Very truly yours,

Lorraine Weiman
