Re: CC-018-07 (FTCS/SR-241 extension); set for hearing Feb 6, 2008, Agenda Item W.8.b.

Dear Mark:

As you know, regarding the change of venue of the public hearing for the referenced item, Coastal Commission staff gave us a choice between publishing legal notice in the newspaper and mailing actual notice to the extensive public notice list. The TCA chose to mail notice. TCA felt that actual mailed notice, on top of the extensive press coverage of the venue change that was already underway, was the best way to ensure broad dissemination of the information.

Enclosed, for your files, is a copy of the notice mailed on Friday, January 25, 2008, along with a copy of the mailing list of recipients.

Please let Nancy Lucast or me know if you have any questions.

Sincerely,

Valarie McFall
Acting Director of Environmental Planning
