OFFICE OF THE SECRETARY

Dear Ms Salas

I am writing you to express my opposition to the Broadwater Project. The sound already has so many problems with its health that I cannot imagine adding another huge insult. This place is a refuge for people and is too valuble to sell off to a corporation. Please know that we are trying to clean it up so our kids can swim, boat and play in the water. We are very adamant that this project should not go forward. Thank you
