BW009142
Unofficial FERC-Generated PDF of 20061117-0114 Received by FERC OSEC 11/16/2006 in Docket#: CP06-54-000

ORIGINAL

November 3, 2006

To Whom It May Concern:

CP06-54

Broadwater is too costly, risky and not needed in the Sound and the constant armed private security disrupts the peaceful tranquil waters of the Sound. This facility limits public access and sets a dangerous precedent of industrializing the Sound.

Sincerely,

Erin McCue
