Dear Magalie R. Salas:

I am in opposition to the proposed facility to be built in the Long Island Sound. I feel that Broadwater is too costly, risky and not needed in the Sound and the constant armed private security disrupts the peaceful tranquil waters of the Sound.

I feel that this facility will limit public access and sets a dangerous precedent of industrializing the Sound.

I am hoping you will do all that you can to stop this intrusion.

Thank you,

Edward G. Kralick
