REGULATORY COMMISSION

CP06-54

Magalie R. Salas
Federal Energy Regulatory
888 First St, N.E, Rm 1A
Washington, DC 20426

Dear Ms Salas

Broadwater is too costly, risky and not needed in the tranquil Sound, and the constant armed private security disrupts the peaceful waters of the sound. This facility limits public access and sets a dangerous precedent of industrializing the sound.

Please send a letter informing me of your position on this matter.

Sincerely,
Burton Goldfeld
