Unofficial FERC-Generated PDF of 20061129-0321 Received by FERC OSEC 11/28/2006 in Docket#: CP06-54-000

To Margie R. Salas

ORIGINAL

CP06-54-000

The Long Island Sound dosen't need a costly, risky, LNG barge. The LTS would be forever ruined by private armed security forces surrounding the barge, no!
