Magalie R. Salas
Federal Energy Regulatory Comm.
888 First ST NE, Room 1A
Washington DC 20426

I am writing to express my concerns about the proposed LNG barge in the Long Island Sound.
I believe Broadwater is too costly, risky and not needed in the sound and that constant and private security disrupts the peaceful waters of the sound.
I would like to hear from you in writing of your position on this matter.

Sincerely,
Carolyn Pilger
