Unofficial FERC-Generated PDF of 20061213-0073 Received by FERC OSEC 12/11/2006 in Docket#: CP06-54-000

CP06-54-000

ORIGINAL

Nov. 28, 2006

To: Magalie R. Salas
Federal Energy Regulatory Commission

Long Island Sound does not need a costly, risky, LNG barge

The tranquil LIS would be forever ruined by private armed security forces surrounding the barge

Thank you,

Mrs. Ellen Gloria
