Dear Ms. Salas,

I am writing to you regarding my concerns over the Broadwater proposal to place a Liquefied Natural Gas terminal in the middle of the Long Island Sound. Broadwater is too costly, risky and not needed in the Sound. The constant armed private security disrupts the peaceful tranquil waters of the Sound. In addition, the facility will limit public access and sets a dangerous precedent of industrializing the Sound.

Please let me know your position on Broadwater.

Thank you,
