Magalie R. Salas,  
Federal Energy Regulatory Commission  
888 First St. N.E., Rm 1A  
Washington, DC 20426

Dear Ms. Salas,

I am writing to you because I feel that Broadwater is too costly, risky, and not needed in the Sound and the constant armed private security disrupts the peaceful tranquil water of the Sound.

This facility limits public access and sets a dangerous precedent of industrializing the Sound.

Please respond in writing informing me of your position.

I truly hope that Long Island can count on your support.

Very truly yours,
