FEDERAL ENERGY  
REGULATORY COMMISSION

Dear Madam,

As a resident of Nassau County, NY, I want to express my discontent with the proposal of building a Broadwater terminal in the middle of Long Island Sound. I (as many other residents) find the project to be too costly, too risky, and disturbing to the peace and tranquility that we all appreciate in our dear long island.

Thank you very much for the attention to this matter.  
Regards,

*Josephine DeBono*
