This is a letter to oppose Broadwater liquid natural gas terminal in the middle of the long Island Sound . The Broadwater is too costly ,risky and not needed in the Sound and the constant armed private security disrupts the peaceful tranquil waters of the Sound . As an avid hunter and fisherman I feel that this barge would be a an environmental hazard on the waters we eat from .The barge would also be an eyesore on a beautiful sound that I have grew up around , that I want my kids to see and enjoy like I did .

Thank You
