Dear Madam,

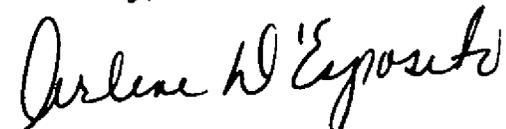

Broadwater is too costly, risky and not needed in the Long Island Sound!!!!

Moreover, the constant armed private security for the tankers will disrupt the peaceful and tranquil waters of our precious Long Island Sound.

In addition, this Broadwater venture cannot be approved because God help the overly taxed , high utility rate paying homeowners of Long Island who will, no doubt, be forced to fund this endeavor in some way. Isn't it enough that we're already victims of LIPA!!!!

Stop the insanity now!!!!

Sincerely,

Arlene D'Esposito
