Re: Revised Briefing Schedule - Consistency Appeal of the Islander East Pipeline Company

Dear Messrs. Amoroso and Wrinn:

This letter grants Islander East's recent request for a 10-day extension of the scheduled dates for the submission of reply briefs in this appeal, as announced on October 27, 2003. Islander East requested the extension in order to obtain an opportunity to review, and possibly to incorporate in its brief, a discussion of any pertinent findings that may be contained in a Coastal Zone Management Act appeal decision to be issued no later than December 15, 2003. Under the previously announced schedule, Islander East's reply brief must be filed by December 12, 2003. Islander East has advised that the Connecticut Attorney General's Office consented to the extension on the condition that the State is afforded a similar extension. Therefore, the new filing dates for reply briefs and supporting materials are:

- Islander East - **December 22, 2003;**
- State of Connecticut - **January 26, 2004.**

Please contact Branden Blum, Senior Counselor, of this office with any questions concerning this matter.

Sincerely,

A handwritten signature in black ink, appearing to read "Karl D. Gleaves".
