Washington, DC 20426

Monday November 27, 2006

Dear Mr. Salas,

I do not want Broadwater to develop the Long Island Sound.
It is too costly, and risky. Also the constant armed security
will disrupt the Sound.

We the residents of Long Island have a right to be part of
this decision as it will have a major effect on our quality
of life. I hope you take this letter into serious consideration
when deciding on this matter.

Sincerely,

Patricia Petrucelli
