FEDERAL ENERGY REGULATORY COMMISSION

CP06-54-000

Magalie R Salas
Federal Energy Regulatory Commission
88 First St. N.E., Rm 1A
Washington DC 20426

Dear Magalie Salas,

I am writing to voice my concerns about the Broadwater Project on the Long Island Sound. I am against disrupting the environment further and the calm tranquil waters would be disrupted by the need of armed security forces around the barge. This project would set a dangerous precedent of industrializing the waters of the Long Island Sound.

Sincerely, *Aleksandra Draz*
