Dear Ms. Salas,

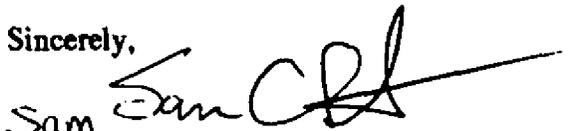

CP06-54-000

FEDERAL ENERGY
REGULATORY COMMISSION

I'm writing to you to let you know that my family and I **STRONGLY OPPOSE** Broadwater. The Long Island Sound does not need a costly, risky, LNG barge. The tranquil LIS would be forever ruined by private armed security forces surrounding the barge. This type of facility would limit public access and sets a dangerous precedent of industrializing the Sound.

This private venture between Shell Oil and TransCanada has no place in the Sound. Please raise your voice to keep Broadwater out of the LIS. Please inform me in writing of your position on this matter.

Sincerely,

Sam Sochet
