FEDERAL ENERGY REGULATORY COMMISSION

Dear Ms Salas:

I am writing this letter to urge you to reject the Liquefied Natural Gas facility proposed by Broadwater to be built in Long Island Sound.

AN LNG FACILITY ENDANGERS THE HEALTH AND SAFETY OF LONG ISLAND SOUND AND SHOULD NOT BE BUILT!

As someone who uses Long Island Sound throughout the year for recreational purposes, and who lives within a mile of the Sound, I ask that you reject this application.

Very truly yours,

Maya Obstfeld
