Subject: Foothill Transportation Corridor-South

Dear Mark:

Please find enclosed responses to questions and comments received from your staff with regard to the cultural resources analysis for the Foothill Transportation Corridor-South (FTC-S). TCA has prepared a response matrix that addresses each of the comments. Also included are additional figures and tables that further clarify the responses and a copy of the Archaeological Survey Report (ASR) prepared for Caltrans. The ASR is specific to the Preferred Alternative and includes much of the detail that your reviewer was seeking.

We hope that this information is helpful to you and your staff. Please do not hesitate to contact me by phone or e-mail if you have further questions.

Thank you.

Sincerely,

Maria Levario
