Re: Banning Broadwater  
and all costly and risky  
use of our Long Island  
Sound - Save Our Waters.

Dear Madame:

This letter is to ask your support to protect our water and coastal areas surrounding our Sound. The cost is too risky plus the dangers of our calm waters of the Sound.

Think of our future and our children and their children. Keep our environment safe.

We need your HELP NOW!

Thank you for any assistance in the above mentioned matter.

Sincerely,  
R. Barry

P.S. I am a resident of Long Island.
