FEDERAL ENERGY  
REGULATORY COMMISSION

CP06-54-000  
CP06-54-000

Dear Magalie R Salas:

I appose the establishment of the Broadwater project.

The Broadwater project it would be too expensive and dangerous  
and not needed in the Long Island. .

The need for constant security would be a disruption of the peaceful  
waters of Long Island sound.

Respectfully Yours
