REMARKS:

 10/31/06 – Spoke with Mr. Gerhardt. He said I would have to send my request for mining information to him so he could forward the request to the president of the company. I prepared an email requesting confirmation of ownership, the type of mining operations at the location on Quarry Road, whether mining was active or inactive and if it was inactive, the date of the last mining activities and the current use of the land.

 11/02/06 – Called Mr. Gerhardt to follow up and make sure he received my email. He said he had received the email and forwarded it to the President. He said I would have to wait for a response from the President.

 11/14/06 – Spoke with Mr. Gerhardt again. I told him we really needed to find out if our operations would hinder mine reclamation or expansion efforts and it would be to their benefit to respond. He said he'd try again to ask the president to contact me.
