Dear Ms. Salas,

I am writing to you to oppose the Broadwater Project. I think a LNG facility endangers the health and safety of Long Island Sound and should not be built. I think this because I am a huge fan of sailing and swimming in the sound. I spend my summers off of Larchmont Yacht Club in Larchmont. I sail all summer and I think that the LNG facility will cause more boat traffic and the last thing I need as a sailor is more boats. So I strongly oppose the Broadwater Project and please don't let it be built.

Sincerely,
Kate Henderson
