Dear Magalie R. Salas,

CP06-54-000

FEDERAL ENERGY
REGULATORY COMMISSION

I am writing to you regarding Broadwater to let you know I consider this venture to be too costly, too dangerous, and absolutely unnecessary to the Long Island Sound. The Sound is a peaceful area that should not be disrupted by constant-armed security. It is an area for the public to enjoy and this facility would limit public access and set a dangerous precedent of industrializing the Sound.

Sincerely,

Lourdes Buch-Maas
