Dear Sir/Madam,

It is my opinion that Broadwater is too costly, risky and not needed in the Long Island Sound and the constant armed private security would disrupt the peaceful tranquil waters of the Sound.

The Long Island Sound would forever be disrupted and the peacefulness of it will be ruined by the constant presence of armed private security as well as make it difficult for the commercial and recreational boats to enter and exit the Sound.

I urge you to use our taxes to better causes to benefit our Long Island residents.

I thank you for your consideration in this matter.

Very truly yours,

  
JEANNE HANNON
