Magalie R. Salas
Federal Energy Regulatory Commission
888 First St, N.E. Rm. 1A
Washington, DC 20426

NOV 27 A 9 38
FEDERAL ENERGY
REGULATORY COMMISSION

To Magalie Salas;

Long Island Sound not an appropriate place for a Liquefied Natural Gas terminal. The Broadwater facility would limit public access and set a dangerous precedent of industrializing the Sound.

I would appreciate it if you could be so kind as to write back to me, informing me of your position.

Sincerely,

Tina Castelluzzo
