Re: Consistency Appeal by Foothill/Eastern Transportation Corridor Agency (TCA)

Dear Mr. Street:

Pursuant to 15 CFR Section 930.128(d), we are officially requesting the Secretary of Commerce to hold a public hearing in the impacted local area on the above-referenced appeal. This matter generated the greatest level of public interest and involvement of any in the California Coastal Commission's thirty-five year history. Tens of thousands of individuals communicated their concerns to the Commission. A public hearing on this appeal is clearly warranted.

Sincerely,
