Re: Consistency Appeal of AES Sparrows Point LNG, LLC and Mid-Atlantic Express, L.L.C.

Dear Mr. La Bissonniere:

On January 10, 2008, the National Oceanic and Atmospheric Administration ("NOAA") sent a letter ("NOAA Letter") to AES Sparrows Point LNG, LLC and Mid-Atlantic Express, L.L.C. (collectively "AES"), and the Maryland Department of the Environment, regarding supplementation of the consolidated record in the above-referenced proceeding. Please find enclosed AES's request to supplement the consolidated record prepared in accordance with that letter, as well as full copies of each document for which AES has requested inclusion. Also enclosed is a compact disc containing these materials.

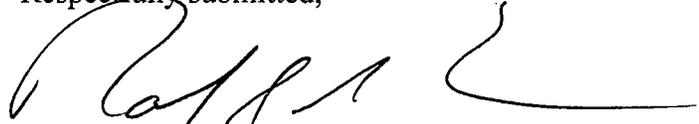

Certain of these documents contain protected materials that, pursuant to Federal Energy Regulatory Commission regulations, cannot be released to the public. *See* 18 C.F.R. §§ 388.112 and 388.113. Specifically, Document Nos. 1, 3 and 5 contain Critical Energy Infrastructure Information ("CEII") that must be protected from public disclosure. Document No. 6 contain privileged information that likewise cannot be disclosed. All protected materials enclosed for supplementation of the consolidated record are marked clearly as such.

Please also find enclosed courtesy copies of the AES Response to the USACE July 3, 2007 Data Request (dated July 20, 2007) and the AES Response to the MDE August 15, 2007 Data Request (dated August 30, 2007) in both paper and electronic format. These documents were added to the consolidated record by the NOAA Letter, but NOAA has not have previously received full copies.

If you have any questions regarding this request, please do not hesitate to contact the undersigned at (202) 639-7725.

January 25, 2008

Respectfully submitted,

Randolph Q. McManus
Attorney for
AES Sparrows Point LNG, LLC
and Mid-Atlantic Express, L.L.C.
